- 8.1. **Subscription Period.** The Subscription Period is as specified in your Order Form, provided, however that if no term is specified, the license term shall be one (1) year, automatically renewable, unless either party provides written notice of non-renewal sixty (60) days prior to the term's expiration.

- 8.3. **Effect of Termination.** Upon any expiration or termination, you must destroy all copies of the Software and any key codes associated with the same and all of its component parts and you must provide Trilio in writing your certification as to the same. 10. Maintenance and Subscription Services

10.1. **Period.** Subject to the terms and conditions of this Agreement and the Order Form, Trilio will provide Maintenance and Support Services described in this Section 10 for the duration of the Subscription Period.

Trilio need not investigate or correct defects found by Trilio to be (i) in other than a current, unaltered Software release, or the release immediately preceding the most current release; (ii) caused by Customer's negligence or modification of the Software or its use in combination with software not provided or in an environment not supported by Trilio; (iii) caused by improper or unauthorized use of the Software; or (iv) due to external causes including hardware problems, power failure or electric power surges.

10.3. **Maintenance for Supported Releases.** During the Subscription or Maintenance Period, Trilio will maintain the current feature release* of our Software along with one prior release supporting customer's supported platform. The prior release's maintenance is available for up to six (6) months after the then-current release which supports Customer's use of Kubernetes or OpenStack platform. After the six (6) month period, only bug fixes will be available for the current release.

For clarification, Trilio will exclusively offer fixes and service packs for the Kubernetes or OpenStack vendor's fully maintained and supported standard releases. We will continue to offer comprehensive support to customers who are current on their subscription or annual maintenance and support contract, irrespective of the software version they are using. Such customers may initiate support cases, seek clarification, report defects and more. However, note that service packs for feature releases older than the aforementioned criteria will not be available. In case the Customer requires fixes, an upgrade to the current release will be necessary.

* A feature release is defined as any release that introduces new features, or support for new platforms.

10.4. **Customer Obligations.** To facilitate the receipt of Maintenance Services and as a condition to receiving them, Customer shall (i) appoint and identify up to two suitably experienced and knowledgeable personnel as a technical contact and alternate for Software maintenance and support issues, who are knowledgeable and competent in the use of the Software; (ii) update and maintain its installation of the Software to the then-current release level provided by Trilio; (iii) promptly notify Trilio's customer support department of software bugs or other problems requiring maintenance service; (iv) subject to Customer's reasonable security requirements, provide Trilio reasonable access and information regarding its systems utilizing the Software, including a connection to Customer's servers as requested by Trilio; and (v) delete or uninstall prior Software releases upon installation of a more current release, except for permitted archival copies.

10.5. **Notice of Discontinuance.** Customer shall notify Trilio that it intends to discontinue a Subscription Period or Maintenance Services not less than sixty (60) days prior to the commencement of any Subscription Period or Maintenance Period renewal. If a Customer exercises its right to discontinue a Subscription Period, upon expiry of the then Subscription Period, Customer cannot use the Software or access the Maintenance or Support Services. Prepaid Maintenance Services or subscription Fees, which shall be indicated in an Order Form or SOW, are nonrefundable.

- 10.6. **Unsupported Software Use.** Trilio will not provide technical support for products where unauthorized modifications to core code have been made by anyone other than a current Trilio employee. Any such changes are made at the Customer's own risk, and Trilio does not and cannot assume any liability for problems arising from those changes.

If the foregoing remedy is not commercially practicable, Trilio may, in its sole discretion, terminate the applicable Order Form and refund to Customer or its Authorized Reseller, as applicable, any prepaid Fees for the affected Software covering the remainder of the Subscription Period. - 12.1. UNDER NO CIRCUMSTANCES SHALL TRILIO, ITS DIRECTORS, OFFICERS, EMPLOYEES, RESELLERS OR AGENTS BE LIABLE TO YOU OR ANY OTHER PARTY, INCLUDING, BUT NOT LIMITED TO YOUR AUTHORIZED END CUSTOMERS, FOR INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND (INCLUDING LOST REVENUES OR PROFITS OR LOSS OF BUSINESS) RESULTING FROM THIS AGREEMENT, OR ANY RELATED SOW, OR FROM THE FURNISHING, PERFORMANCE, INSTALLATION, OR USE OF THE SOFTWARE OR PROFESSIONAL SERVICES, WHETHER DUE TO A BREACH OF CONTRACT, BREACH OF WARRANTY, OR THE NEGLIGENCE OF TRILIO OR ANY OTHER PARTY, EVEN IF TRILIO IS ADVISED BEFOREHAND OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT THAT THE APPLICABLE JURISDICTION LIMITS TRILIO'S ABILITY TO

DISCLAIM ANY IMPLIED WARRANTIES, THIS DISCLAIMER SHALL BE EFFECTIVE TO THE MAXIMUM EXTENT PERMITTED.

- 12.2. EXCEPT WITH RESPECT TO TRIAL ACCESS OR ANY PRODUCT OR SERVICE IN BETA, IN ANY CASE, THE ENTIRE LIABILITY OF TRILIO AND ITS DIRECTORS, OFFICERS, EMPLOYEES, RESELLERS OR AGENTS UNDER ANY PROVISION OF THIS AGREEMENT OR ANY SOW OR ORDER SHALL NOT EXCEED IN THE AGGREGATE THE SUM OF THE LICENSE FEES PAID TO TRILIO HEREUNDER OVER A PERIOD OF TWELVE (12) MONTHS PRECEDING THE FIRST INCIDENT OUT OF WHICH LIABILITY AROSE, NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. THE ENTIRE LIABILITY OF TRILIO AND ITS DIRECTORS, OFFICERS, EMPLOYEES, RESELLERS OR AGENTS UNDER THIS AGREEMENT RELATED TO TRIAL ACCESS OR ANY PRODUCT OR SERVICE IN BETA SHALL NOT EXCEED \$500, NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS EXCLUSION AND LIMITATION MAY NOT BE APPLICABLE. TRILIO IS NOT RESPONSIBLE FOR ANY LIABILITY ARISING OUT OF CONTENT PROVIDED BY CUSTOMER OR A THIRD PARTY THAT IS ACCESSED THROUGH THE SOFTWARE AND/OR ANY MATERIAL LINKED THROUGH SUCH CONTENT.

13. Indemnity

- 13.1. **Trilio Indemnity.** For Software licensed under this Agreement or an Order Form, Trilio shall defend you against any claim, demand, suit, or proceeding made or brought against you by a third party (each a “**Claim**”) to the extent alleging that the Software, or your use of the Software as permitted hereunder infringes or misappropriates the Intellectual Property Rights of a third party, and Trilio shall indemnify you for any out-of-pocket damages, attorney fees, costs, judgments, and approved settlement payments, incurred in defending such Claim (collectively, “**Losses**”). The foregoing indemnity shall not apply to the extent the infringement arises out of: (a) specifications or designs furnished by you and implemented by Trilio at your request; (b) the Software being combined with, added to, interconnected with or used with any equipment, apparatus, device, data, software or service not supplied or approved by Trilio in writing; (c) the modification to Software by any person or entity other than Trilio; (d) use of Software other than in accordance with its Documentation; or (e) use of any older release of the Software when use of a newer version would have avoided the alleged or actual infringement.
- 13.2. **Remedies.** If a Claim for which Customer is entitled to be indemnified under Section 13.1 above has occurred, or in Trilio’s opinion is likely to occur, Trilio shall, at Trilio’s expense, do one of the following: (a) procure for Customer the right to continue using the affected Software; (b) replace with non-infringing alternates or modify the Software so that it becomes non-infringing, but its functionality after modification is substantially equivalent; or (c) accept the return of the affected Software, and refund to Customer or its Authorized Reseller the pro-rata portion of Fees that Customer or the Authorized Reseller actually paid to Trilio for the affected Software corresponding to periods following such termination. The collective obligations of Trilio pursuant to Section 13.1 and this Section (Section 13.2) are the sole and exclusive liability of Trilio, and Customer’s sole and exclusive remedy, with respect to intellectual property infringement or misappropriation.
- 13.3. **Customer Indemnity.** You agree to defend Trilio, its affiliates, officers, directors, shareholders, employees, contractors, agents and resellers (the “**Trilio Parties**”) from and against any and all Claims made or brought against a Trilio Party by a third party that arise or result from (i) your breach of this Agreement, including, but not limited to your use of the Trilio Offerings in violation of this Agreement or any applicable law and (ii) allegations that software, content or data used by you in connection with the Trilio Offerings, infringes a third party’s intellectual property right shall indemnify the Trilio Parties for any Losses.

In cases where Customer includes Trilio Software as a part of their cloud services, both parties agree that Trilio shall not be a party to Customers end-user contracts (the “**Customers End-User Contract**”). Furthermore, Trilio shall not bear any liability towards the Customer or any of the Customer’s end-user customers (the “**Customers End-User**”) regarding claims made by the Customers End-User related to the provision of

Software by Customer or arising from the Customers End-User Contract(s). The Customer hereby indemnifies Trilio against all claims brought forth by any Customers End User against Trilio, stemming from the Customer's provision of Software or any other matters connected with the Customers End-User Contract(s).

- 13.4. **Process.** Promptly after an indemnified party obtains knowledge of the existence or commencement of a Claim for which it is entitled to be indemnified under this Section 13, the indemnified party will notify the indemnifying party of such Claim in writing, provided, however, that any failure to give such notice will not waive any rights of indemnified party except to the extent that the rights of indemnified party are actually prejudiced or liability increased by such failure. The indemnifying party will have exclusive control of the defense and settlement of such Claim; provided, however, that the indemnified party may join in the defense and settlement of such Claim and employ counsel at its own expense, subject to the indemnifying party's ultimate control of the defense and settlement of such Claim. In no event will an indemnified party be liable for any settlement that admits any fault of or imposes any monetary liability on an indemnified party without its prior written consent (such consent will not be unreasonably withheld or delayed)

14. Confidential Information

- 14.1. **Definition.** Confidential Information means any information disclosed by Trilio to you, either directly or indirectly, in writing, orally or by inspection of tangible objects, which is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information shall include the Software (including, but not limited to, all source code), Documentation, pricing, product information, and any Trilio Professional Services, the terms of this Agreement and any Order Form (except that either Party may generally promote the fact that they have entered into an agreement with the other Party relating to the products and services described hereunder). Confidential Information may also include information disclosed to Trilio by third parties.
- 14.2. **Obligations.** You will at all times keep in confidence all such Confidential Information. You shall not (i) use any Confidential Information for any purpose outside the scope of this Agreement, and (ii) except as otherwise authorized by Trilio in writing, disclose Confidential Information, except to those of its employees who need such access for purposes consistent with this Agreement and who have signed confidentiality agreements with you containing protections no less stringent than those herein. You agree to assist Trilio in remedying such unauthorized use or disclosure of Confidential Information. The foregoing obligations will not apply to the extent you can demonstrate by documentary evidence:
- The disclosed Confidential Information was part of the public domain at the time of disclosure without breach of any obligation owed to Trilio;
 - The disclosed Confidential Information was lawfully in your possession at the time of its disclosure by Trilio without breach of any obligation owed to Trilio;
 - You received the disclosed Confidential information from a third party without similar restrictions on disclosure and without breach of any obligation owed to Trilio.
- 14.3. **Compelled Disclosure.** You may disclose Confidential Information if you are compelled by law to do so, provided you give Trilio prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Trilio's expense, if Trilio wishes to contest the disclosure. If you are compelled by law to disclose the Confidential Information as part of a civil proceeding to which Trilio is a party, and Trilio is not contesting the disclosure, Trilio will reimburse you for your reasonable cost of compiling and providing secure access to such Confidential Information.
- 14.4. **Injunctive Relief.** You acknowledge that your breach of any of the provisions of the confidentiality and non-use obligations specified herein could cause Trilio irreparable injury for which monetary damages may not provide an adequate remedy. Therefore, in the event of your breach or threatened breach of any of your confidentiality or non-use obligations under this Agreement, Trilio shall have the right to seek specific performance or an immediate injunction to prevent or restrain the breach, in addition to any other remedies available at law or in equity.

15. Feedback. The parties are working together to further develop the capabilities of the Software, Professional Services and other Trilio products and services. In the event that you provide Trilio with any ideas, thoughts, criticisms, suggested improvements or other feedback related to the Software, Professional Services or Trilio services (collectively “**Feedback**”), you agree that Trilio will own, and you agree to assign and hereby assign to Trilio all of your right, title, and interest in, such Feedback. To the extent that the foregoing assignment is ineffective for whatever reason, you agree to grant and hereby grant to Trilio a nonexclusive, perpetual, irrevocable, royalty free, worldwide license (with the right to grant and authorize sublicenses) to make, have made, use, import, offer for sale, sell, reproduce, distribute, modify, adapt, prepare derivative works of, display, perform and otherwise exploit such Feedback without restriction.

16. Orders, Payment, and Taxes

16.1. Direct Payment Terms. If Customer purchases Software, Professional Services or Trilio Offerings from Trilio under an Order Form between Trilio and Customer, Customer will pay Trilio the Fees set forth in the Order Form. Unless otherwise expressly set forth on the Order Form, all Fees will be invoiced in advance on the Effective Date of the Order Form. Except as expressly set forth in this Agreement, all Fees are non-refundable and you may not terminate or cancel an Order Form except as stated in this Agreement.

16.2. Fee Changes. Trilio reserves the right to change the Fees or applicable charges and to institute new charges and Fees upon thirty (30) days prior notice to Customer (which may be sent by email). Such changes will take effect: (a) for monthly subscriptions, beginning on the first day following such thirty (30) day notice period; and (b) for fixed duration subscriptions, beginning on the next renewal term.

16.3. Payment. All fees payable under this Agreement are payable as specified on the Order Form. Unless otherwise expressly set forth on the Order Form, payment of all invoices shall be due within thirty (30) days of the date of invoice. Any undisputed amounts not paid within such thirty (30) day period shall bear interest at a rate of one and one-half percent (1.5%) per month or at the highest lawful rate, whichever is less, from the date such an amount is due. If Customer fails to pay any overdue fees within thirty (30) days after invoice, Trilio may terminate or suspend the applicable licenses granted or services provided. If Customer’s use of the Software exceeds the number of licenses set forth on the Order Form or otherwise requires the payment of additional fees (per the terms of this Agreement), Customer shall be billed for such usage and Customer agrees to pay the additional fees in the manner provided herein. If Customer believes that Trilio has billed Customer incorrectly, Customer must contact Trilio no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Trilio’s customer support department.

16.4. Taxes. Our fees exclude and you will pay applicable taxes and similar charges, including sales, usage, excise and value added taxes. Nothing in this Agreement requires either party to pay any income taxes or similar charges of the other party. If applicable law requires you to withhold any amount from your payment, you will provide us with copies of documents related to your withholding upon our request, and, in such event, Customer will gross up the invoice to account for any and all such withholdings.

16.5. Authorized Reseller Payment Terms. If Customer purchases Software from an Authorized Reseller under an order form between Customer and the Authorized Reseller, Customer is responsible for payment of all Fees due to the Authorized Reseller and Customer’s access to the Software shall be contingent on Trilio’s receipt of such Fees. Customer’s access to the Trilio Offerings may require Customer’s agreement to additional terms and conditions that the applicable Authorized Reseller may make available at the time of purchase (“Additional Reseller Terms”). Such Additional Reseller Terms are exclusively between Customer and the Authorized Reseller. Trilio assumes no liability or responsibility arising from or related to Additional Reseller Terms.

17. Export Controls. You acknowledge that the Software, Professional Services and related products and services (collectively, the “**Trilio Offerings**”) are subject to the provisions of the U.S. Export Administration Regulations and may be subject to export and import regulations in countries outside the U.S. and agree to comply with all such applicable laws and regulations, as required. The Customer acknowledges and agrees that it will not import, export, re-export, transfer or use, directly or indirectly, the Trilio Offerings in violation of the laws and regulations

of any applicable jurisdiction. This restriction expressly includes, but is not limited to, the export regulations of the United States, and the import and export restrictions of any country in which you transact business.
